PROGRAM FACT SHEET FISH CAMP

PROGRAM OVERVIEW

Fish Camp is a 6 day program offered to campers ages 11-13. Anglers will catch the thrill of fishing on local lakes and rivers for Bass, Northern Pike, Trout, and panfish. The highlight is a half-day Charter on Green Bay for Salmon and Trout! Fish campers will still have ample time to enjoy resident camp activities such as program areas, camp games, and recreation time. Fish On!

CAMP WEBSITE

The Camp U-Nah-Li-Ya website is a wonderful tool to help families and campers prepare for and enjoy their camp experience. The Parent Packet, camper forms, and what to bring list are all available to be downloaded at your convenience. Family and friends can also check out our photo gallery, camp menu, weather, and email their camper while they are away at Camp.

FISH CAMP SCHEDULE HIGHLIGHTS

In addition to the traditional resident camp programs offerings, our Fish Campers will take part in the following activities;

Monday

Early to rise for shore fishing on Chute Pond
Afternoon educational session with a DNR Angler Educator
Evening Fishing on Chute Pond

Tuesday

Fishing on the Oconto River

Wednesday

Early to rise and off for charter fishing on Lake Michigan.

Thursday

A quiet morning of trout fishing at an Oconto River hot spot for brown and brook trout.

Please see the 6-Day Resident Camp Program Fact Sheet for a detailed daily camp schedule.

WHAT TO BRING

Camp provides all program related equipment, but campers are welcome to bring their own fishing gear. In addition to the suggested packing list in the Parent Packet, of importance for Adventure Trekkers are; hat with a brim, water bottle, long pants, sunscreen, sweatshirt.

PROGRAM AREAS

On the first day of camp, each child has the opportunity to choose which camp program areas they would like to participate in each morning. They are able to sign up for 2 sessions each morning. Program Areas are progressive in nature and tailored to the age and ability of the participant.

** The charter fishing trip is on the waters of Lake Michigan, where waves and conditions may lead to nausea. In our experience, campers have a much more pleasant experience if they take Dramamine or Bonine prior to the charter. This over-the-counter medication for motion sickness will be given to your camper prior to the charter. As with all medications there may be side effects or a chance for an allergic reaction. If you do not want your child to receive medication, please notify the Camp Nurse upon check-in on Sunday.*
