ABOUT YMCA CAMP U-NAH-LI-YA

ABOUT US

The Camp U-Nah-Li-Ya experience is so much more than summer camp, your camper will return to you with new skills, memories, values, and friendships that will last a lifetime. At Camp U-Nah-Li-Ya, campers will develop resilience through adventures, build meaningful relationships with exceptional role models, and gain independence and confidence. Throughout our programs, staff focus on instilling youth with the core values of the YMCA: caring, honesty, respect, and responsibility.

We are located near Mountain, Wisconsin. Nestled in the Chequamegon-Nicolet National Forest with 158 wooded acres, three bodies of water, and newly-renovated facilities. It is the perfect setting to provide your camper with an unforgettable summer experience.

ABOUT OUR TEAM

Each staff member is carefully selected after a rigorous interview process based on their proven abilities working with children and their desire to support our mission. All staff members must demonstrate exceptional character, and undergo extensive background checks, minimum of 7 professional references, national sex offender database check, and criminal background checks. Staff are certified in CPR, First Aid, and Lifeguarding by the Red Cross. Pre-camp training includes outdoor skills, activity facilitation, managing group dynamics, safety and health training, child development, and more. Our staff is made up of veteran campers who have progressed through the entire Camp U-Nah-Li-Ya program, certified international staff from all over the world, and university students aspiring to work with youth as a career. We believe in building a diverse, skilled, ethical, and passionate staff to provide the best experience for our campers.

OUR YMCA MISSION

To put Christian principles into practice through programs that build healthy spirit, mind, and body for all.

OUR PURPOSE

Improve the world through improving people.

OUR HISTORY

Since 1937 we have served the children and families of the Greater Green Bay area. Our long standing traditions are rooted in our beginnings as a logging camp in an area famous for its fur trading and trapping history. Many of the tried and true activities at Camp U-Nah-Li-Ya such as canoeing, the legend of Ole Peterson, and the Nor'Wester Trip are tributes to where we began. Each year we make improvements and expansions to our facilities and programs. Today we serve close to 1,000 campers from many different states and even countries!

FEES AND REGISTRATION

Registration is a quick and easy online process at www.campunahliya.org. A \$100 deposit per camper is required at the time of registration. A variety of payment plans are available to meet specific needs and can be arranged by phone. The balance of the program fee must be paid in full at least 30 days before for your camper's session to attend camp. We believe every child deserves a summer camp experience, financial assistance is made available through contributions to the YMCA's Annual Campaign, call camp for more information. A two-week notice is required to withdraw a camper from a program and receive a partial refund. If appropriate notice is provided, your camp fees minus the \$100 deposit per camper per week will be refunded to you.

OUR GOAL is to provide every camper with the opportunity to develop compassion for all, environmental awareness, leadership skills, and resilience.

VIRUS PROTECTION

The safety of your camper and your family is our number one priority. The quality of your camper(s) experience is our second. We believe that we can provide a meaningful summer camp experience for your camper(s) while taking every reasonable precaution to minimize the possibility of exposure to the COVID-19 virus. While Camp U-Nah-Li-Ya has always employed best practices for hygiene, health, and sanitation we will be implementing some additional practices for the maximum protection of your camper(s), your family, and our staff.

Below is a brief list of the precautions we will be taking during the summer of 2022. The COVID pandemic is an ever changing situation. We will adjust precautions as prudent and directed by the guidance of the CDC and local health department. Please refer to our website for our most current information regarding the virus and safety at camp.

- All guests will complete a health screening and temperature check upon entering the facility.

- Camper and staff temperature and symptom checks will be conducted daily.
- All campers, staff, and guests may be required to wear masks when indoors with the exceptions of eating and sleeping.
- Cabin groups will participate in normal camp activities within their groups, minimizing interaction with other groups.
- Whole camp activities will take place outdoors with plenty of fresh air and distance.
- Capacities may be limited to reduce the number of campers per cabin.

If your family has an exposure to COVID we ask that you contact us immediately. We will rebook your camper for another session after they have quarantined for 10 days. You may choose to receive a refund instead, minus the non-refundable \$100 deposit.

If we have to cancel your session of camp due to COVID, we will issue a full refund for your camp fees.

Check out our rental booking system. Checking availability during times opposite summer camp is easier, than ever. Scope out rates, book a rental and make payments online at your convenience: www.campunahliya.org.

We encourage parents to be involved in making sure campers have a fun, safe, and comfortable experience at Camp U-Nah-Li-Ya. Check out our interactive tour at campunahliya.org, or give us a call and schedule one in-person!

All campers sleep in comfortably air conditioned cabins, many of which are newly remodeled. Beds are twin sized bunks with comfortable vinyl mattresses. Two counselors sleep in each cabin with 10 campers and are available to assist at any time of the night. Most cabins have an indoor fireplace and a common area which encourages campers to talk, play cards, and make friends during downtime.

Camp has several cabins with bathrooms. These are designated for our youngest campers. Two independent bath houses serve the campers on the East and West sides of camp. Campers attend bath houses as a group, supervised by staff. Shower times are scheduled by age. Bath houses are cleaned and sanitized multiple times per day.

Meals are eaten in the Dining Hall, the largest building, and the heart of camp. Food is prepared in our modern kitchen by our skilled and passionate food service team. Our kitchen is inspected annually by the health department and has an outstanding record for cleanliness and quality. Meals are well balanced with fruits and vegetables at every meal, and a full salad bar available at least once per day. We are happy to accommodate any dietary needs.

4 & 6 DAY SPECIALTY AREAS

AGES 7-14

During the morning, resident overnight campers will spend their time receiving in-depth instruction in one of our six Specialty Areas. Campers will progress through program challenges and learn in-depth skills. Campers will be recognized at the end of the week with a patch for their efforts and growth in their Specialty Area. Returning campers can push themselves to be challenged more each summer and collect all of our program patches!

ADVENTURE SPORTS

Campers will feast on adrenaline as they spend the week ascending the climbing wall, riding fat tire bikes and much more. Campers will identify their personal limits and learn to conquer challenges in order to grow.

ARTS AND CRAFTS

Campers express their creativity through a variety of artistic media. Painting, sculpting and weaving are just some of the disciplines explored. At the end of the week, they will have a great understanding of how time and effort can produce works of art they can display with pride.

ECO-CHALLENGE

For our young naturalists! Engage in the natural environment of camp as staff teach about the flora and fauna of the Camp U-Nah-Li-Ya wilderness. Experiments in water quality, macroinvertebrates, fish biology and energy systems will give campers a greater understanding of the natural world and their place within it.

SELECT YOUR SPECIALTY AREA

When you register, please be sure to select your camper's main interest so that we can get your camper into the area of their choice. Specialty Areas are assigned on a first come, first served basis. If an area is full, campers may choose from the remaining available Specialty Areas.

MARKSMANSHIP

This area includes archery, riflery, slingshots and atlatls. Everything begins with a firm foundation of safety practices and then grows to advanced techniques and competitive marksmanship. Hit a bullseye, knock over the can, and score points while learning self-discipline and self-control.

SURVIVAL

This area focuses on living with the forces of nature to survive and thrive in the great outdoors. Campers learn skills in fire building, shelter making, fishing and other bush craft skills. Muddy shoes, dirty hands, and big smiles are to be expected.

WATERCRAFT

In watercraft, campers will learn advanced skills in canoeing, kayaking and stand-up paddleboards. They will practice proper techniques such as wet exits from kayaks and T-rescues in canoes. As boating experts, they will be able to help their fellow campers in their cabins take to the water with ease.

EXTREME TEEN ADVENTURES

Extreme Teen Adventure Camps are the perfect introduction to the world of high adventure outdoor recreation in America's great Northwoods.

These camps are tailored for adventure seekers ages 12-14 and are designed to grow your camper's character. Each has a specific intensity level and run in one week durations. Whether your camper is a first timer or they are ready for the most physically demanding camps, we have a program that is great for your kid. These camps are specialized adventure programs that fill up fast! You'll want to register as early as possible to secure your spot.

LEADERSHIP PROGRAMS

Our Teen Leadership Programs give your teen a chance to develop their skills working with campers, their team, and our staff of mentors.

Designed for high school students, the Counselor in Training (CIT) program concentrates on building the skills needed to be an effective counselor and youth mentor.

CIT (Ages 14-16)

The first week of the CIT session focuses on learning effective leadership, teamwork, communication, problem solving, and how to be a positive role model to youth. CITs spend the second week of their session shadowing a camp counselor and working directly with a group of campers to assist in activities. No experience required. Campers will return home on the FRIDAY of their first week and return to camp on the SUNDAY for their second week.
